Long title of the presentation - this also supports multiple line titles

Long author 1[1], Long author 2[2]
[1]Institute 1 [2]Institute 2

Place where presentation is held | 13. November 2015

Frametitle

This layout supports:

- ► Multiple line titles
- ► Section bullets at the top of every frame
- ► Coloured item bullets (TU red)

This minimal example also creates one backup frame, which will not appear in the section bullets and the counter of the frames is also not rising.
